# Site Info

## Description

The purpose of this site is to provide those deemed ~~unholy~~ unworthy by societies standards to find true love. At MonsterDating.com we wish to provide the service of bringing those like-minded individuals together to form friendships, relationships, bonds of all sorts.

\*We will provide a home page or the Abandoned Mansion so that individuals will know where to arrive.

\*Once inside individuals can stroll through the Morgue to see if anyone piques ones interest.

\*If one has found a visage to there liking they can simply check out the Autopsy File and learn more about them.

\*As always if you have any questions or concerns you don't need to scream for help but rather click on 911 to grab our attention

## Goals

Our goal at this site is to bring others together because miscommunication can really put a stake through the heart. We are here to educate the populace that all we need is love and that we can all live together.

## Target Audience

At MonsterDating.com we don't care if your 18 or 1800, we'll find the match for you. Our creator, Dr. Frankenstein has figured out the formula by mixing and matching 27 parts of compatibility to help find the right ~~victim~~ partner for you.
